

LAWYERS TITLE IS
EXCITED TO ANNOUNCE:
ROXIE ROBINSON

We're excited to welcome Roxie Robinson back to Lawyers Title as a Sales Executive—a full-circle return to the company where she began her title career in 1998.

With nearly three decades in the title and escrow industry, Roxie has always believed that business starts with relationships. She's built her career by being someone her clients can count on—not just for title, but for ideas, connections, marketing support, and solutions that help move their business forward.

Roxie is known for being responsive, creative, and always willing to help. She enjoys bringing people together, finding new ways to support her clients, and building relationships that go well beyond a single transaction.

Coming back to Lawyers Title feels like a homecoming, and Roxie is excited to bring everything she's learned, the relationships she's built, and the same passion she started with back to where her title journey began.

For Roxie, it's always been simple: build strong relationships, create opportunities, and help people succeed.
